

## SCS Fall Meeting 2021

We invite you to attend the SCS Fall Meeting 2021, one of the largest annual research conferences held in Switzerland. For the second time, the Fall Meeting takes place as an *online conference* to meet the regulations and to facilitate safe exchange of scientific information among all participants.

For generations of young chemists educated in Switzerland, the Fall Meeting has been a great platform to present their research to a broader audience, and to be inspired by the people you meet at the meeting.

### Program Highlights

- Three plenary lectures of SCS prize winners 2021
- Virtual poster session during the whole week
- Nine thematic parallel sessions with keynote lectures and PhD presentations
- Virtual Commercial Exhibition
- Best presenter award ceremony

### Conference Topics

- Analytical Sciences
- Catalysis Science & Engineering
- Chemistry and the Environment
- Computational Chemistry
- Inorganic & Coordination Chemistry
- Medicinal Chemistry & Chemical Biology
- Organic Chemistry
- Physical Chemistry
- Polymers, Colloids & Interfaces

The best student oral and virtual poster-presentations in each session will be awarded prizes. The SCS Metrohm and DSM Award Programs are among the most highly remunerated in their category. The award ceremony at the end of the meeting marks one of the highlights of the event.

### Conference Venue

Virtual Classrooms and online platforms.

To access the oral presentations via video conference or to visit the online poster session you have to register as participant via the website.

### Chair of the Organizing Committee

Prof. Eva Hevia, University of Bern

## Program Overview

08.30	Open virtual conference room
09.15	<b>Welcome</b> <i>Dr. Alain De Mesmaeker, SCS</i>
09.30	<b>Dr. Pierdomenico Biasi</b> , Casale SA and <b>Dr. Rene Eckert</b> , Clariant Produkte (Deutschland) GmbH Sandmeyer Award Lecture 2021
10.10	<b>Dr. Cornelia Zumbrunn</b> , Idorsia Pharmaceuticals Ltd SCS Industrial Science Award Lecture 2021 Honored for her key contributions as a project leader in the challenging field of antibiotic drug discovery, including her contributions to several anti-bacterial research projects and the development of a significant number of chemical series into advanced compounds, some of which were ultimately selected as preclinical development candidates.
10.50	Break
11.00	<b>Parallel Session 1</b> <ul style="list-style-type: none"><li>- Analytical Sciences</li><li>- Catalysis &amp; Engineering</li><li>- Chemistry and the Environment</li><li>- Computational Chemistry</li><li>- Inorganic &amp; Coordination Chemistry</li><li>- Organic Chemistry</li><li>- Medicinal Chemistry &amp; Chemical Biology</li><li>- Physical Chemistry</li><li>- Polymers, Colloids &amp; Interfaces</li></ul> 1 Invited Lecture (30min) 5 Short Talks (15min) by students (PhD or Postdoc)
11.45	<b>Virtual Poster Session</b> (open all week) Read abstracts, watch short videos and interact with the presenters via mail, social media or skype. The poster session is open from Mon, 06.09.2021 to Sun, 12.09.2021. <b>Virtual Commercial Exhibition</b> Visit the virtual booths and inform yourself about the latest products and services of our partners Participate in the online quiz and get the chance to win 2x 100 CHF in cash.
13.45	<b>General Assembly of the youngSCS 2021</b> Lead: Benjamin Ries, President youngSCS
14.30	<b>Parallel Session 2</b> Same topics as in the morning parallel session 1 Invited Lecture (30min) 5 Short Talks (15min) by students (PhD or Postdoc)
16.15	Break

16.30	<b>Prof. Raffaella Buonsanti</b> , EPFL Lausanne Industrial Science Award Winner 2021 Honored for her original and significant contributions in the chemistry development of tailored nanomaterials and their applications in catalysis, especially CO <sub>2</sub> electroreduction
17.10	<b>Dr. Andrew Edmunds</b> , Syngenta Crop Protection AG, Senior Industrial Science Award Lecture 2021 Awarded for his impressive track record of achievements in the field of chemistry and crop protection reflected in 140 patents, 28 publications and more than 20 lectures at universities and international conferences.
17.50	<b>SCS Announcements</b> New Helvetica Prize of the Swiss Chemical Society 2021 (best published papers of PhD/Postdocs 2020/21)
18.00	<b>Ceremony of the Best Presentation Awards</b> Best Oral Presentation Awards, sponsored by Metrohm Best Poster Award, sponsored by DSM Nutritional Products
18.30	End of SCS Fall Meeting 2021

## Registration

Please register online on [fm.scg.ch](http://fm.scg.ch)

- Deadline for abstract submission is 30 May 2021
- Deadline for participant registration by start of the conference

## Conference Fees

The registration fees include access to conference sessions.

Abstract submission after registration process and conference documents:

- free of charge for SCS Members.
- CHF 250.- for Non-member presenters
- CHF 100.- for Non-member participants without a presentation

## General Sponsors

## Sponsors Best Poster Presentation Awards
